**Case Number 17-CV-2949 (Block, J.) (Kuo, M.J.)**

Dear Judge Block:

We represent the Plaintiff in the above-referenced matter.

I write to explain to the Court that I had scanned into my computer the affidavit of service on June 5<sup>th</sup> which confirms service upon the Attorney General on April 30<sup>th</sup> as previously represented to the Court.

On Jun 20, 2019, one day before the Court's most recent Order, there was a death in our family – my wife's grandmother – the 4<sup>th</sup> grandparent to pass in a 12 month period. I am sorry I did not tend to filing the Affidavit of Service sooner, and I was under the impression that the affidavit was previously scanned and uploaded to the ECF. I see, by review of the docket, that it was not successfully uploaded.

I attach it to this letter but will make a separate filing on the docket.

While I realize there were several mishaps in getting this service issue straightened out but I assure the court this is an exception, and not the rule.

Given the unique circumstances set forth above, I ask the Court to excuse this mishap and apologize for any inconvenience..

Respectfully submitted,  
**SACK & SACK, LLP**
